Hamlin Tax Payer's Association #1

TITLE: Urban Life with Good Connections

DESIGN PRINCIPLES:
1. Traditional Neighborhood with UC and VC, Hamlin Park
2. Contain Urban Sprawl
3. Connecting UC’s with public transportation to TN’s

NOTES:
- Urban Gardens
- Shopping along waterfront
- Transportation to connect city and farmland
- Stadium in City of Buffalo
- Urban Growth Boundary
Hamlin Tax Payer’s Association #2

TITLE: Urban Core Enhancement and Preservation

DESIGN PRINCIPLES:

1. Preserve traditional neighborhoods (Hamlin Park, Allentown, West Side, etc.)
2. Preserve and reconnect existing parks and trailways to reflect their original design. Connect traditional neighborhoods outside of Buffalo to parks and trailways.
3. Increase development of the urban center in the city
4. Increase office industrial development along the I-90 corridor
5. Re-integration of educational systems with regional academic development

NOTES:

- Move Bills stadium back to Buffalo waterfront
- Preserve the waterfront. Protect all waterways.
- More shops along Main Street
Hamlin Tax Payer’s Association #3

TITLE: Living Better Together

DESIGN PRINCIPLES:

1. Preserve the waterfront
2. Preserve Hamlin Park, Humboldt Parkway, and traditional neighborhoods.
3. Cover Rt. 33. Public Transport to suburbs.
4. Increase jobs and access to jobs
5. Place all utilities underground

NOTES: None.
Hamlin Tax Payer’s Association #4
TITLE: Improving Hamlin Park, City of Buffalo, and Surrounding Area
DESIGN PRINCIPLES:
1. Transportation: Highspeed rail to NYC to Washington D.C.
2. Too many duplexes in the city
3. GREEN SPACE
4. Jefferson Suburban Strip Mall
5. Keep transportation in city
6. No gentrification in Hamlin Park
NOTES: None.
