UB Academies #1

TITLE: UB Stop Sprawlin'

DESIGN PRINCIPLES:

1. All urban and village centers developed with environmental efficiency in mind
2. Build on Strengths: City, Niagara Falls, attracting Canadians
3. Develop the metro and light rail lines
4. Revitalize Niagara Falls and the surrounding area
5. Keep the football stadium where it is, develop the area around it.

NOTES:
- Welcome Canadians!
- Above-ground heated rails
- Main Street in the Village of Williamsville-make pedestrian friendly; easier flow of traffic
- Preserve and expand wind farms
- Build on strengths:
  - City
  - Falls
  - Toronto
