

ELMWOOD CONVERSATIONS COMMUNITY OPEN HOUSE

SATURDAY, APRIL 12, 2014

St. John's Grace Church, 51 Colonial Circle

SESSION I: 9:00 - 11:00 AM

SESSION II: 1:00 - 3:00 PM

This Community Open House serves as the major source of community input for Phase 1 of the *Elmwood Village Neighborhood Plan (Community Engagement & Visioning)*. Participants will be asked to give feedback regarding their experiences in this neighborhood and the needs and opportunities facing Elmwood Village. Using this information, as well as information gleaned from social media feedback and an online survey, the consultant team will prepare a *Vision* of what the community would like Elmwood Village to be.

This *Vision Plan* will be used to support and inform the RFP for the Women & Children's Hospital Campus redevelopment and serve as the basis for embarking on Phase 2 of the comprehensive neighborhood plan.

Participants will take part in interactive dialogs to help us answer questions like these...

- *What do you want EV to be like in 10 years?*
 - *How can we get there?*
- *What opportunities and challenges does the hospital redevelopment pose for EV?*
 - *What do you like about your neighborhood?*
 - *What would you change about it?*

There is no need to stay for the entire two hour session – feel free to arrive and depart as you wish. The facility is **not handicap accessible**; for this we apologize and are working on alternate arrangements for those who may not be able to attend.

Your participation is critical! Please plan to attend and invite your friends and neighbors.
