Amherst #1

TITLE: Innovative Revitalization

DESIGN PRINCIPLES:
1. Control building sprawl.
2. Revitalize the existing urban areas.
3. City-continue to clean up the rundown and abandoned properties.

NOTES:
- Transit line expansion.
- Broadway Market area.
- Move the tools.
- Need for more N/S traffic corridors.
- Thruway entrance, Gunville Road.
- Truck oriented route from RT5/93 to Canadian bridge.
