Junior League #3
TITLE: Back to the City
DESIGN PRINCIPLES:

1. Visitors to the city- value in adding public transportation to allow access to more of the region.
2. East to West transports- bike paths + walkways.
3. Utilize space + building up what is there and what has been abandon rather than expanding out to the suburbs.
4. Building up Niagara Falls + waterfront to visitors + for residents to enjoy.
5. Village centers creating communities rather than just homes.

NOTES:
- Airport transportation, UB north transportation.
