Junior League #6
TITLE: WNY 2.0

DESIGN PRINCIPLES:
1. Transportation- better accessibility, connectivity- urban centers and outlying village centers.
2. Preserving or building up waterfront.
3. Developing more urban farmland to bring local seasonal healthy produce to intercity families that is affordable.
4. Thinking regionally- working and thinking towards a greater good.
5. Building knowledge transfer. Partnership between educational institutions, industries and municipalities.
