Design Principles:
1. Sustaining and maintaining rural communities
2. Preservation and promotion of resources and trails
3. Enhance suburban center – Transit road, Sheridan Ave, Millersport
4. Refocusing on city of Niagara Falls.
5. Creation of a viable transportation plan that brings people from UC to UC

Notes:
- Enhance Suburban strips
- Better Promotion of Trails
- Remediation of LaSalle area
- Bike trail link, NYPA to Lockport to Albany
- Redevelopment of Summit Mall.
