Niagara Falls #4
TITLE: The Future Re-Birth
DESIGN PRINCIPLES:
1. Centralize sewer system
   - Expand airport
   - Limited commercial strips
   - Job creation/growth
2. Centralized development
   - High-speed rail
   - Commuter corridors
   - Preserve agriculture
   - New forms of agriculture
3. Tourism: Niagara Falls Wine trail
   - Rebuilding Niagara Falls
   - Upscale homes along lake
   - Protect and develop greenway assets
   - UB 2020 Expansion

NOTES:
- Commuter rail
- Cluster head start through 12th Grade on west side of Main Street
- Protect wine trail
- Farmland
- Robert Moses Parkway
