On the Road Workshop #1 – Map #4

TITLE: Buffalove

DESIGN PRINCIPLES:
1. Redevelop Niagara Falls.
2. Minimize sub-urban sprawl.
3. Preserve environmentally sensitive areas (i.e. gorge, headwaters, etc.)
4. Improve public transportation within the city.
5. Improve quality of life within the city.

NOTES:
- Wine trail.
- Better city schools.
- Bills stadium.
- Preserve headwaters.
