WHAT DOES SUSTAINABILITY MEAN TO YOU?

For Citizens of All Ages

WHAT WOULD YOU CHANGE?

Robert Moses Pkwy disconnects Falls neighborhoods from our region’s greatest natural resource. I’d like to see it changed so that tourists and residents alike can walk or bike between the park and our emerging neighborhoods.

WHAT WOULD YOU KEEP?

WHAT I’D CHANGE

Main Street is the heart of Middleport. I want to see it flourish as a walkable center for our community for decades to come.

WHAT I’D KEEP

WHAT I’D CHANGE

W. Main St. and Broadway is a key intersection in the Village of Alden. I wish it was easier to cross the street here.

WHAT I’D KEEP

Express your vision for making Buffalo Niagara more sustainable through photos and captions.

Get involved in planning our region’s future by submitting photos, videos and captions that show what you’d change or what you’d keep in our region.

Citizens of all ages can use One Region Forward’s online tool to share their ideas and vision on what will make their communities and neighborhoods more sustainable. Get started today!
