SESSION 1: Sustainability - The Big Picture

Session Quiz

1. In two sentences, please describe how the learning sessions informed your perceptions on the concepts of sustainability and sustainable approaches to planning and development?

   If you didn’t learn anything new, please indicate that in your written description.

2. In two sentences, please describe something you learned today about the current condition of your region that made a big impression on you?

   If you didn’t learn anything new, please indicate that in your written description.

3. In two sentences, please describe something you learned today about One Region Forward that will help you become an agent for change in your neighborhood, community, or our greater region.

   If you don’t feel you learned anything applicable at the session, please indicate that in your written description.

4. How informative was the content presented at this session?

   Circle your answer

   A. Very informative – I learned a lot
   B. Informative – I learned some new things
   C. Somewhat informative – I didn’t learn much new, but it was still interesting
   D. Not very informative – I didn’t learn much, nor found it interesting
   E. Not informative at all
