

Become a Champion for Change and **make** **change happen** in your community.

YOUR ideas have the potential to generate positive change in YOUR community! Learn how to turn ideas into action through practical tools, knowledge and support from faculty, student, and community mentors.

Spring 2019 Champions for Change Program

AS A CHAMPION FOR CHANGE, YOU WILL

Bring your vision to life, from an idea to a clear action plan
Refine your idea with a research & technical support team
Network with other Champions for Change, professionals, UB students & community leaders
Present your project idea to the public and potential supporters at the Idea Summit
Identify funding to support your project
